## 2011 Enrollment Update

The Young Family wishes to express our sincere appreciation and gratitude to so many of our families who've recommended Camp Hilltop to their family, friends and classmates. We are proud that our campers feel Hilltop is the place to spend their summer and is their "family". This feeling is prevalent throughout our camp community and deeply valued by us.

If you or your friends are planning to enroll for Summer 2011, we encourage you to call ASAP as space has become extremely limited. Our strong enrollment trend has continued and we are ahead of last year's enrollment pace. We have limited availability in many age groups.

Here's to continuing to make Camp Hilltop and our Summer 2011 full of life!
